

REMARKS

The Advisory Office Action of November 15, 2011, has been carefully considered, and the non-entry of the Amendment filed November 7, 2011 duly noted.

In view of the Examiner's comments in the Advisory Action, and although undersigned counsel does not see any real difference between the limitations of original claim 2 and claim 17 as amended in the proposed non-entered Amendment filed November 7, 2011 to incorporate the limitations of claim 2, in order to advance the prosecution of this application, claim 17 has been amended above to incorporate the actual wording of original claim 2, which has been cancelled. Additionally, claim 3 has been amended so that it now depends directly from claim 17, claim 4 has been cancelled since it is superfluous in view of the amendment to claim 17, and withdrawn claims 7-16 have been cancelled, without prejudice to claim same in a divisional application, in order to place the application in condition for allowance.

In view of the above amendments and the indication in the Advisory Action and Interview Summary Record issued November 15, 2011, entry of this Amendment, withdrawal of the rejection of all of the claims and the allowance of this application, with independent claim 17 and claims 3, 5 and 18 dependent thereon, are respectfully requested.

If the Examiner is of the opinion that the prosecution of this application would be advanced by a further personal interview, the Examiner is invited to telephone undersigned counsel to arrange for such an interview.

Respectfully submitted,

FITCH, EVEN, TABIN & FLANNERY
